

# ERGORACER GT

The Ergoracer GT is the perfect combination of an exercise bike and a proven road bike. The corrosion-proof, galvanized frame is extra narrow to simulate the streamlined profile of a top road bike. Coupled with cage/SPD pedals, adjustable triathlon & drop bars, multi-position stem & seat post and topped with an ergonomic racing gel saddle, the Ergoracer GT reproduces the feel of a world class road bike.

- SIEMENS® electronic display with 8 training programs including HRC (Heart Rate Control)
